Cookies Policy

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site. By continuing to browse the site, you are agreeing to our use of cookies.

We use the following cookies:

● Analytical/performance cookies. They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.
● Targeting cookies. These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

You can find more information about the individual cookies we use and the purposes for which we use them in the table below:

Cookie Name	Purpose	More information
Google Analytics Cookie _ga	To help us provide the best service to our visitors by allowing us to see which pages work well and if any of our content needs changing to make the Site better in the future. Used to define users.	https://developers.google.com/analytics/devguides/collection/analyticsjs/cookie-usage Expiration Time 2 years
Google Analytics Cookie _gat	To help us provide the best service to our visitors by allowing us to see which pages work well and if any of our content needs changing to make the Site better in the future. Used to throttle request rate.	https://developers.google.com/analytics/devguides/collection/analyticsjs/cookie-usage Expiration Time 10 minutes

Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we have no control. These cookies are likely to be analytical/performance cookies or targeting cookies.

You block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our Site.

All cookies will expire after as detailed above.
